

Sample Animation: Horse in Motion

Find more samples and templates at snacknotes.com/zoetrope

Instructions:

Draw your own animation in the frames below. When done, cut along dashed lines to cut out frames 1-4 as a first strip and frames 1-8 as a second strip. Connect the two strips together. Fold along each frame and insert into your zoetrope.

This series of images is called "Horse in Motion". These were made in the 1870's by Eadweard Muybridge to study the motion of horses. Learn more at: https://en.wikipedia.org/wiki/The_Horse_in_Motion
